

## Lunch & Learn Session 2 Information

- **The second session is from January 3rd-June 14th and registration will open in December.**
- **Prices are different for different days and activities because the price is based on the number of times each program meets. Some days are impacted by school closings more than other days.**
- **Your child is welcome to attend an afters program on a day that they don't attend school.**
- **If your child attends school that day, they will be walked by their classroom teachers to their after school program. They will have lunch, recess and the enrichment activity.**
- **Minimum of 6 children required to run each program. Maximum depends on program.**
- **Payment is due in full at time of registration. Please see the office to make other arrangements.**
- **You are responsible for packing a nut free lunch.**
- **Some programs may have mixed ages.**
- **Sorry but we do not make up missed day or refund for absences.**
- **You may join at any time and we will prorate the session but in order to get the prorated session rate, you must join before the session is half over and commit to the remainder of the session. If you can't commit for the session or you are joining near the end of the session, you may use the drop in rate and register only for those days your child can attend.**
- **We permit children to drop into lunch space permitting but we do not permit children to drop in to an enrichment program. The drop in rate for lunch is \$20.**

<p><b>Every Day</b></p>	<p><b>Lunch &amp; Play</b></p>
	<p><b>Every day from 12-1 and Fridays 12-1 or 2</b></p>
	<p><b>Enrichment 12-2pm</b></p>
	<p><b>Mixed Ages (3-5 years)</b></p>
<p><b>Rainbow Fun</b> Thursday</p>	<p>Everyone will love this creative class devoted to exploring COLORS! We'll create and celebrate colors through different mediums including hands on art experiences, cooking, stories and experiments! The possibilities are endless! This class is the perfect choice if you can't decide between the other programs because it's a little bit of each one.</p>
	<p><b>For children in a 3's program</b></p>
<p><b>Tasty Tales</b> Monday</p>	<p>Children in the 3's are invited to join us on a culinary journey. Our little chefs won't know it but they'll be learning about kitchen safety, math, science, etiquette and nutrition while having a yummy time! Each week's recipe will be based on a children's book. Due to the nature of this class, we cannot accommodate children with allergies.</p>
<p><b>Jr. Jammers</b> Wednesday</p>	<p>For our 3's who love to play! This fun filled hour will promote gross motor skill building through movement and cooperative games! It's a nonstop energetic hour to learn and play!</p>
	<p><b>For children in a 4's or 5's program</b></p>
<p><b>Zoom</b> Monday</p>	<p>Numbers and letters have never been so much fun! We'll explore pre-reading and pre-math skills through games and hands on activities. This class is #1!</p>
<p><b>Gym Jammers</b> Monday and Thursday</p>	<p>Calling all sport fans! We'll learn basic sport skills and play gym games. All activities will promote teamwork, confidence and skill building! It will be a fun filled afters with lots of exercise!</p>
<p><b>Tinker Lab</b> Tuesday</p>	<p>Are you ready for some cool and creative projects? Meet us in the "lab" as we predict, estimate, mix, build, deconstruct and explode each week! Our tinkerers will explore air, chemistry and states of matter through exciting experiments and investigations!</p>

**Se Habla Español**  
Tuesday

Through songs, games and stories children will explore and learn simple Spanish words and phrases. Our very own Vivi Torres, who is a native speaker, will teach this fun filled, educational class.

**Build It**  
Wednesday

Using everything and anything they can find from recycled to natural items and everything in between this group will create, build and decorate individual and group 3D projects. We'll even explore and dissect some electronics, to see what's inside -adding recycled parts into our creations. Children will learn all the "how to's" about participating safely while using real tools, glue guns and more.

**Storybook Theatre**  
Wednesday

Ladies and Gentleman, take your seats. The show is about to begin! Our children will recreate some of their favorite storybook characters through song, movement, acting, art and imagination. Everyone's favorite music teacher, Ms. Elyse, teaches this class.

**Fun Fridays: A one-time afternoon of fun from 12-2pm**

**Super Heroes & Heroines**  
January 13

It's a bird, it's a plane, it's SUPER YOU! Join us in our super-secret headquarters and bring your coolest super powers for this FUN day! We'll make capes and masks as we create our own superheroes!

**Fairy Fun**  
February 24

Complete with wings and sparkle dust for everyone – join us as we discover where fairies come from, how they live and what their mission is! Children will enjoy a tea party complete with honeysuckle syrup (pink lemonade) and delicious fairy cakes.

**Eggstravaganza**  
March 23

Join us for an egg-ceptional day about spring and leave the egg dying to us. After visiting with a furry friend or two, we'll decorate eggs using several techniques and then have an egg hunt.

**Lots of Legos**  
April 27

Drop in to build your own Lego creations and then display them for the school to see. Legos are fun and reinforce the essential preschool skills but to kids, it's all fun and games!

**My Furry Friends**  
May 18

It's a pet lover's fun filled afternoon devoted to our furry friends! Bring in your favorite stuffed animal for our pet parade. Our day will end with a visit from a furry friend.

**Vacation Workshops: 9-1pm**

**Nature in a Nutshell**  
April 2 and 3

From mud pies to flowers, we'll explore some of what nature has to offer through books, crafts and hands on "dirty up to your elbow" activities. Register for one or both days (they will not be the same). Be sure to dress for mess!

Could Be Mixed Ages We will try to group by age. Please check with office to verify.
